WITH HAYDEN PADDON

HAYDEN PADDON - HIGHLANDS MOTORSPORT PARK - BEN NEVIS STATION

Central Otago is the hidden beauty of New Zealand - stemming from the hub in Queenstown, the outer areas offer a magical experience which is like a world away from this world.

There is no need to travel abroad when we have this on our back doorstep...

Experience all corners of this stunning landscape with New Zealand's most successful rally driver - Hayden Paddon.

Together with Hayden Paddon (New Zealand's top rally driver), Ben Nevis Station (luxury accommodation) and Highlands Motorsport Park (activities and motorsport) we have for offer a very exclusive, high end 4 day/3 night tour package.

Absolutely everything is included in this once in a lifetime package that will give you lifelong memories, of both relaxing and adrenaline filled activities (all activities are optional).

Not only the experience alone, but significant time spent with Hayden as your host for two of the days will give you plenty of time to catch up on some of his adventures around the world, and even get some driving tips.

Based at the spectacular multi-million dollar complex at Highlands Innovation and Technology Motorsport Park, Cromwell, New Zealand, Paddon Rallysport was initially formed in 2006 by Hayden and Chris Paddon to drive his rally career. Since 2016 PRG has run successfully all official Hyundai New Zealand Motorsport activities, and in 2018 set up new facilities and staff to tackle the next vision – alternative energy motorsport, the future!

# YOUR PERSONALISED AND PRIVATE ITINERARY:

## DAY 1

Fly to Queenstown, and be shuttled in luxury to your 5 star water-front accommodation where you will have free-time to settle in, relax and explore Queenstown at your own leisure.

## DAY 2

You will be picked up by Hayden from your Queenstown accommodation in the morning and head towards Wanaka via the Crown Range – one of the highest public roads in New Zealand. After a quick stop in Wanaka, you will travel to the new Paddon's Paddock vineyard for refreshments and a private tour. Heading next to Cromwell you will embark on an afternoon of adrenaline fun, treated as VIP guests at the internationally acclaimed Highlands Motorsport Park. This will include a private commentary tour of the facilities, a tour of Paddon Rallysport, exclusive access to their private GT members lounge, Go-kart race with Hayden, Ferrari passenger fast lap around the race track and the ultimate self-drive experience in a Le Mans style Radical, where you will be behind the wheel with a professional driver in the passenger seat!

After your afternoon of fun, you will again join Hayden for a 4WD trip over the Nevis range, stopping for photos along the way, before arriving at Ben Nevis Station – your accommodation and base for the next two days. Throughout your stay at Ben Nevis Station, you will be hosted by their friendly staff, accommodated in their luxury 5 star accommodation and taken care of with your own private chef throughout your stay. Facilities include separate lounge and kitchen area, wood fire, spa pool and state of the art latest technology systems within the house.

## DAY 3

A leisurely start allows you to enjoy your gourmet breakfast and take in the sights and scenes of the Nevis valley. After lunch you will be lead by the Ben Nevis Station guide for activities that will include Clay Target shooting, Archery and buggy driving. After your own morning of fun, Hayden will join your group to take you for a high speed ride in the UTV buggy – an experience you will never forget. Tonight is dinner under the stars served at the station (optional for Hayden to join) finishing with fine wine and chocolate. You can relax, watch movies in the home cinema or get an early night.

## DAY 4

Again a leisurely start at your discretion is followed by breakfast and a final look around the station. A helicopter will then arrive to fly you back to Queenstown Airport via the amazing Remarkable Ranges, and a birds eye view like no other as you arrive into Queenstown.

### What is included:

EVERYTHING – including all food, wine, team clothing (Hayden Paddon merchandise), all activities, accommodation, travel and helicopter transfers.

\$9,990 per person (single)

\$7,990 per person (2-3 people)

\$6,990 (4+ people)

### Extras:

Rally ride with Hayden in his Hyundai Rally car is something we can cater for. Enquire for pricing. This is a base package and can be altered in any way to suit your requirements.
