- Winner must be 18 years or older.
- If the first applicable person is unable to accept the prize, will be rewarded to the next highest place getter until a winner has accepted that they can participate.

## 6. INGAME DECISIONS

The “Hyundai NZ VIRTUAL Global Rally Series” has been built with competitors opinion in our best Interest.

We have built The “Hyundai NZ VIRTUAL Global Rally Series” in such a way the organizers see to be fair.

For reference see below.

### **Car category - R5 4WD**

Although not the fastest category of cars the R5 platform has been selected due to the easy nature of car to drive.

### **Forced Assists - OFF**

Assists have been left availability at your will-reason behind this is the amount of settings that come under “ASSISTS” these include auto clutch- (a likely necessity for those with only two pedal simulators or hand controllers) or automatic windscreen wipers.

### **Hardcore Damage - OFF**

Hardcore damage is off simply because while it may slow the “professionals” down to prevent crashes it does not have any reward for novices.

### **Forced Camera View - OFF**

Many people rely on seeing all corners of the car, the ability to select your preferred view makes the player more comfortable and familiar with there usual preset given the many different platforms and resources people have to play the game.

### **Forced Manual Gears - OFF**

To encourage more novices and a wider range of people we have allowed the use of automatic transmissions.

### **Car Selection**

While the option is available in game to swap cars; we highly encourage the use of the same car for the entirety of the rally weekend, this helps us with event highlights and promotion.

## 7. MEDIA

Media coverage and promotion will be covered by the organizers.

A lot of this will be based off supplied content.

All content to be emailed to [dirt@paddonrallysport.co.nz](mailto:dirt@paddonrallysport.co.nz)

Main information hub's are - [www.paddonrallysport.co.nz/dirt](http://www.paddonrallysport.co.nz/dirt) AND <https://www.facebook.com/Hyundai-NZ-Global-Rally-Series>

<https://www.facebook.com/haydenpaddonwrc> will also be used for some promotion and updates.

Please use **#PaddonRallyOnline** when posting on social media channels - where possible. For each appropriate rally please also tag the naming rights partner.

### 7.1 WINMAX BRAKES BEST MOMENT

If you have a moment or accident you think is impressive, record the action from your replay and email to [dirt@paddonrallysport.co.nz](mailto:dirt@paddonrallysport.co.nz). Hayden will choose his favorite who will win a free set of Winmax Brake Pads for your road, track or rally car.
